From the President's Desk

Chris Brookes & Martha Hay- WCGS Co-Presidents

Chris's Message:

Program planning was the main topic at the December Board Meeting. Your Officers and Directors came up with several ideas for 2018, but we also want to hear from you. It is your Society. What topic(s) interest you? If you've ever said or thought about not coming to a meeting because the program didn't appeal to you, this is the time to let us know what you would like.

Here are some of our ideas: showing off the new arrangement of our WCGS library; records funeral directors need; DNA; Genealogy Jeopardy; document preservation; Whitewater Cemetery Walk; Annual dinner at 841 Brewhouse or Foley's. The Wisconsin Historical Society and Black Point Estate both have speaker's bureaus. Discussion of specific ethnicities included: French-Canadian, Scottish, Cornish, Welsh, Scandinavian, 1600s New York.

Now it's your turn. Send your suggestions to me or Martha, come to the February 6 meeting at the Geneva Lake Museum to share your ideas, or attend the next Board Meeting at 1:30 on March 8.

Speaking of the Show & Share meeting on Tuesday, February 6 - remember the special time and place: **11:00 a.m. at the Geneva Lake Museum**, 255 Mill Street, Lake Geneva. Bring a bag lunch, beverage, and something to show or share. We'll have our own meeting and sharing time, eat lunch, and then have a docent-led tour of all the museum has to show and share with us. Our tour will conclude about 1:30, in time for anyone who is interested to attend the Tuesday @ 2:00 program on the History of Mardi Gras (Free for GLM members / \$5.00 for non-members).

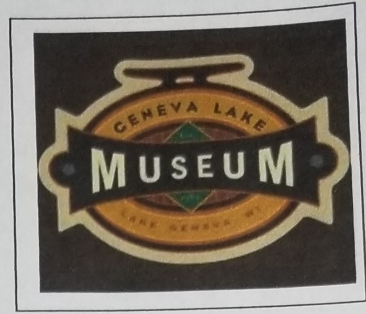

Looking forward to hearing from you - and making 2018 a great year for WCGS!

LIBRARY REPORT

This report will give a look back at the 2017 activity in the WCGS library.

There were 185 people that physically signed in, and probably more were there that didn't. This does not include contacts via the phone, website, email, or mail.

Over the years, we have kept record of Surnames researched and you can find those in the front of the white three-ring binder for registrations. Most of the surnames also identify who was the researcher and gives their contact info.

Surnames researched in 2017 alphabetically are: Alexander, Austin, Berger, Busch, Claffey, Cole, Crumb, Driscoll, Eichmann, Fick, Fuller, Gorski, Greene, Gutke, Haase, Hewson, Hormann, Johnson, Kirkham, Klages, Krueger, Kruger, Latrivieune, Markusson, Meyer, Murray, Nass, Naughton, Nelson, Norton, Pfeifer, Pleuss, Porsche, Quinn, Radke, Rahn, Rappold, Rossmiller, Rumpf, Schultz, Shumacker, Stewart, Swoboda, Tucker, Welch, Whaler

The majority of the researchers were from Wisconsin and Illinois, but also from North Carolina and Washington state.

The Mary Bray room where WCGS library is located has added the Matheson Library microfiche reader and their microfiche making a nice and convenient research addition. Also WCGS sold the large table and chairs, and Matheson replaced all the tables and chairs that had been there, making the room set-up easier to change, also added was a direct phone line to the room with messaging capabilities.

The library committee finished the book inventory, shelved new donations, and rearranged the stacks making them more user friendly.

WCGS purchased a hand-held scanner and anyone may use the device after purchasing the cd card for \$9, and it can be used in your personal computer and brought back to load more.

Your library committee is always seeking member input for book purchases, ideas, or anything needed to improve the library. Take some time and come in to see the changes, and volunteers are always appreciated.

Respectfully submitted, Diana Bird

His - Story

So what does a grandma do when her 5 year old grandson calls and asks, “Who is my great-great grandpa?” RESEARCH!

OK – his dad (check), his grandma (me - check), my dad (great-grandpa - check), his dad (great-great grandpa – Albert John Jacobson), and a bonus for great, great, great grandpa (Christian Jacobson born in Norway). Then you make him a family tree and order a DNA spit-kit.

Albert John Jacobson was born in Chicago February 8, 1875. For over 40 years he was associated with Northwestern Terra Cotta Company of Chicago and was their building superintendent for out of town construction. This company provided terra cotta decoration for many buildings in Pittsburgh, so perhaps that was where he was working when he met Ruth Hanes. I do know they married in Pittsburgh Dec. 28, 1904.

Before 1909, the couple was back in Chicago where Albert’s two sisters and their husbands lived. My dad, James Howard Jacobson, their only child, was born there in 1909. Northwestern Terra Cotta supplied extensive decorative moldings on many landmark Chicago buildings including the Civic Opera House, the Chicago Theater, the Wrigley Building, and the Randolph Tower.

In 1925 Albert was asked to superintend the terra cotta construction on the American Insurance Building in Columbus, Ohio, so the family moved to that location. When the terra cotta business declined and the family lost money in banking investments during

the Depression, Albert and Ruth were supported by their son’s endeavors in Connecticut, Pennsylvania, and Wisconsin.

Albert died Feb. 14, 1957, at age 82 in Walworth, Wisconsin.

The third great-grandpa bonus for the name of Albert’s father, Christian Jacobson, reveals he was also in the construction trades. Born in Norway about 1851, he arrived in Chicago in 1873. He was a fine fresco painter. According to the McCook Tribune, McCook, Nebraska, “A boy in charge of the passenger elevator in the Grand Pacific hotel, Chicago, lost control of the machine Tuesday morning as it was making an upward passage, and advised two passengers on board at the time to jump off at the next landing. In attempting to do so, Christian Jacobson, a painter employed in the hotel, was killed. The tragedy was quite needless as the automatic appliance caused the elevator to stop naturally on reaching the upper story.”

Now we’re waiting to find out how much Scandinavian DNA the Ancestry test will reveal for the great, great grandson of Albert John Jacobson.

The 2017 WCGS Christmas Potluck dinner was held on 12-5-2017 at the Delavan Community Centre in Delavan WI. The WCGS society purchased the meat entrée selections, and the members were asked to bring a dish to pass. We all enjoyed the many selections brought by the talented cooks and bakers and all of the yummy buffet options were enjoyed equally well by those of us who may be less talented at cooking and baking but very appreciative of good home cooked food. Thank you to the

WCGS staff that purchased the meat and organized the food prep, it was a very delicious meal made even better surrounded by good company. Then the real fun started with the Take A Way Bingo! We always expect a little excitement and craziness, and grateful there were no serious injuries from gifts being tossed around and/or unwrapped. We all look forward to this every year, lots of smiles at all of the tables, and of course the snacking during Bingo was part of the fun too!

Song of the Plains: A Memoir of Family, Secrets, and Silence

By Myers, Linda Joy, PhD

Publisher Comments

Ever since she was a child, Linda Joy Myers felt the power of the past. As the third daughter in her family to be abandoned or estranged by a mother, she observed the consequences of that heritage on the women she loved as well as herself. But thanks to the stories told to her by her great-grandmother, Myers received a gift that proved crucial in her life: the idea that everyone is a walking storybook, and that we all have within us the key to a deeper understanding of life--the secret stories that make themselves known even without words.

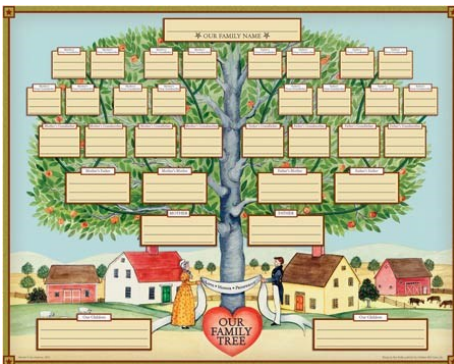

Song of the Plains is a weaving of family history that starts in the Oklahoma plains and spans over forty years as Myers combs through dusty archives, family stories, and genealogy online. She discovers the secrets that help to explain the fractures in her family, and the ways in which her mother and grandmother found a way not only to survive the great challenges of their eras, but to thrive despite mental illness and abuse. She discovers how decisions made long ago broke her family apart--and she makes it her life's work to change her family story from one of abuse and loss to one of finding and creating a new story of hope, forgiveness, healing, and love.

Karen Memory has also given us a history reference to explore:
