\*\*\*\*\* Library Committee \*\*\*\*\*

A change in our library staff at Matheson Memorial Library in the Mary Bray Room in Elkhorn!

We now have a Library Committee to maintain our library resources. Our society board has decided to go with a committee instead of one librarian in order to share the responsibilities among several people with new ideas. The committee consists of Diana Bird, who was instrumental in setting up the library in Elkhorn, and Judy Rockwell, who was/is a librarian by career, and Marilyn Traver, who has spent many hours researching in our library.

The committee members are currently comparing the book inventory with the computer index in order to figure out the best plan for our collection and to make it easier for library users to find the information they are looking for.

Our library is staffed every Tuesday from 10:00 to 3:00, the 3rd Tuesday we are open until 7:00 pm, and the 3rd Saturday of the month we are open from 10:00 until 2:00. We are always looking for more members to help staff the library and help visitors with their research. Consider joining the current group of members at the library so no one has to be working alone.

Look for a “wish list” to appear on this page in the future.

To contact any of the members:

Diana Bird - 815-943-3690 - leave a message if no answer

Judy Rockwell - [jjrockwell@gmail.com](mailto:jjrockwell@gmail.com)

Marilyn Traver - [msearchin@hotmail.com](mailto:msearchin@hotmail.com)

They will be delighted to hear from you!

The committee will be busy revamping the library, so stop in and check their progress!

## From the President's Desk

Mike Hay & Chris Brookes- WCGS Co-Presidents

### Mike's Message:

Man, it's *HOT!*

I like warm weather, but *really!* Campaign fever is rampant, but brings back thoughts of elections years ago, when men came home from work, bathed, and dressed (suit and tie), and took the wife (dressed in "Sunday Best") to the local polling place to do their civic duty.

It seems those days are gone, but not forgotten by genealogists. I recall my family's polling place at one time located at Pete Martin's Tavern, which couldn't sell liquor on voting day, anyhow! Big change today.

Our Library Staff are hard at work doing a refresh of our research materials. Judy Rockwell, Diana Bird, and Marilyn Traver (presently recovering from knee-replacement surgery) are toiling to make our materials easier to use. You might want to stop in and see the changes.

Our upcoming meeting on August 2, will be our Annual Ice Cream Social, so bring your favorite toppings to share, and be prepared to play "Genealogy Jeopardy" with Karen Weston. On September 6th we will have our 28th Annual Dinner at Geneva Bay Covenant Harbor. Details are available on our WCGS website. Also on September 17th, the Tri-County History Fair will take place in Kenosha from 8:30am until 3:00pm at Gateway Technical College, Madrigano Hall. The Kenosha group made a very good showing at our fair last year and I think we should attend their event this year. If you would like to ride-share or car-caravan on that day, call Mike @ 414-217-4900.

### Chris's Co-Comments:

A couple days after our August meeting, I'm off to New York to teach a class for teachers called Immigration Impact. We visit the Lower East Side Tenement Museum which was a tenement apartment building housing over 7,000 working class immigrants from the years 1863 to 1935. When the last tenant was evicted in 1935, the landlord locked the door and it was not opened again until 1988, when the building was turned into a living history museum. Fund raising, research, and restoration took about five years. Today guides offer six narrated tours describing the lives of the Italian, Jewish, German, Irish families who resided in the ever-changing neighborhood over the years.

In addition to the apartments, the German saloon owned by John Schneider, which occupied the basement storefront from 1864-1886, opened in 2009. Apparently it was a "hotbed of political activity in its day... The German Reform Club, of which Schneider was a member, and the 8th Assembly District both held meetings in the space. Saloons were a central community center for German immigrants on the Lower East Side."

Did your immigrant ancestors enter through Castle Garden or Ellis Island? Where and how did they live? Check out the website for the Tenement Museum <https://www.tenement.org>

## *Reinette McCrea*

*By Christine Brookes*

Mike's mention of voting inspired me to tell you about Reinette Thompson Lester McCrea, a pioneer in the women's suffrage movement.

The Illinois State Suffrage Movement organized in 1869. State Conventions were held annually. The 1909 convention was held in Chicago. The State Board of Directors decided to try educational automobile tours in the spring of 1910. The newspapers all agreed to publicize the tour; two reporters from the Chicago Tribune rode in the car with the speakers, with reporters from other publications meeting them at various tour stops. Mrs. McCrea entertained the speakers at her summer home, Blacktoft, in Lake Geneva. She also organized the Northside Branch of the State Association, later known as the Chicago Equal Suffrage Association.

Have you seen this monument in Lake Geneva?

Reinette, a charter member of the Lake Geneva Garden Club, willed \$5,000 to the city for a statue of the Three Graces (Beauty, Charm, and Joy) to be dedicated to her best friends in Geneva whose names are engraved on the base. The base is also designed to be a fountain "in order that man and beast may have a cooling drink in hot weather."

Names engraved on the pedestal are her sister Agnes Thompson Allerton, Mary Delafield Sturges, Martha T Rumsey, Mary T. Leiter, Dora T. Bartlett, Otilie M. Wacker, Emma B. Dunlap, Helen L. Fairbank, Mary H. Strong, and May L. Leland – all Geneva Lake residents with interesting stories in their own rights.

Reinette was born in 1855 in Canton, Illinois. Her father was A.C. Thompson, a Revolutionary War soldier. Her first husband was John T Lester, member of the Board of Trade in Chicago; she raised his three children. Secondly she married Wiley S McCrea, financier and member of Chicago Stock Exchange. Reinette died in Chicago in 1916. She is buried in the family plot in Oak Hill Cemetery, Lake Geneva.

## AROUND THE COUNTY TIDBITS

by Shirley Sisk

**Lyons** – Mrs. Phoebe Healey is entertaining her sister, Mrs. Robinson, from Genesee Co., N. Y., and also a niece from the same place.-----Mr. Chas. Stubbs has purchased Mrs. Hubbard's house and his family is now nicely settled in the same.-----Mr. Henry Erdley has been quite sick. Dr. L. N. Hicks, of Burlington, is the attending physician.-----The oyster supper last Tuesday evening was a pleasant feature of the week's programme. Mrs. G. V. Weeks and Mr. and Mrs. O. Gillett furnished some excellent music which was much enjoyed by all. The society cleared \$13.35. (Wed., Nov. 13, 1889 – Delavan Republican)

**North Walworth** - John Farrel departed last week for the far West.-----J. R. Siperly, assisted by his son Fred, is building a barn for Fred Haley.-----Miss Bertha Welsh is assisting Mrs. Ira Hoag for a week or so as seamstress.-----While working on Mr. Dardis' house, Mr. William Madden fell and broke his leg.-----Mr. and Mrs. S. H. VanSchaick are visiting their daughter, Mrs. F. C. Peck, in Baraboo.-----Mrs. Anna Myers of Beloit, has been the guest of her sister, Mrs. Geo. Fury, for a short time.-----Mrs. Clarence Randall is on the sick list as is also David Phelps.-----Clinton Lackey has returned from Minnesota as he found the climate of that state too cold for him. (Thurs., January 12, 1899 –The Delavan Republican)

**Richmond** - Saturday evening about sixty young friends dropped in to help Homer Taylor celebrate his twenty-first birthday. The evening was spent in dancing until twelve o'clock when they departed, leaving behind them all good wishes for the future. Among those from abroad were Mr. J. Fisher, from LaGrange; Frank Cooke, of Whitewater; Theron Cutter and Stevie Serl, of Fairfield; James and Flora Waters, of Janesville; Ray Taylor, of Milton.-----School is out in district No. 2 for a two weeks' vacation. The same teacher, Miss Ida Doud, will teach the winter term. (Wed., Nov. 13, 1889 –Delavan Republican)

**South Grove** – We learn that Wm. Markell has sold his farm to A. Mason for \$6,000.-----The streets of South Grove present about the same appearance to me as they did over 30 years ago, when we used to journey to the burg to get whisky and water for southern Wisconsin cradlers, engaged with the old barton grapevine or turkey wing, cutting down the black sea Canaca club or the hedgerow. But times have changed—another generation has grown up and covered the earth. Instead of using the turkey wing they mount the self binder and quickly demolish a harvest, which 35 years ago took long weary weeks to accomplish. Where is the old store that stood on the corner? Where is the broom factory

that flourished directly after the great American Civil War of '65? Gone to the 4 wings of the universe. On yonder hilltop stands the South Grove cemetery, where 30 years ago my grandfather's remains were interred, to wait the tap of Gabriel's drum on resurrection morning. ( Wed., Nov. 13, 1889—Delavan Republican)

Note: I added this last interesting item just because of the way it was written about South Grove, but the author's name was not listed. I looked through the South Grove cemetery listing for someone who could have been "grandpa" who died in 1859, but found no one. But some stones are unreadable and others may not have had a stone. It would have been so interesting if I could have found a "match" that was grandpa. Shirley

## *June Program Re-cap*

Our June meeting presented Nancy Rockwell from the Family History Center in Elkhorn, WI. Nancy showed the Family Search website then answered questions from the audience. .

## Volunteer

Merriam-Webster dictionary defines "volunteer" as a person who does work without getting paid to do it . Many of us don't like to volunteer because we fear that it will require more work than we have time to do or that someone will criticize our efforts. When that happens, the same people are always having to do the work and what happens then? The people who have performed become jaded and no longer wish to be part of the group. In essence, they become "burned out". If everyone steps up and takes a part, however small, no one need get "burned out". Please step up and ask how you can help! We currently have need of volunteers to staff our library.

## Ancestor Inquiry

Do you have an ancestor who held public office? Do you have an ancestor who pushed for a change that made things different? Let me know. I'm going to check mine and let you know in upcoming issues. If you have an ancestor who made a difference, you should brag about it. Here is your chance!
